### Unexpected Closures

Students are requested to listen to local radio and TV stations for announcements. If the school is unexpectedly closed due to extenuating circumstances, the school's administrator will communicate the situation with students via phone call, email, or text messaging. Students are to return the next scheduled day, unless otherwise instructed.

School closures due to inclement weather do not adversely affect a student's attendance rate; a student's Enrollment Agreement end date will be changed, and NO absent hours are accumulated.

## **Constitution Day**

On or near September 17 of each year, the institution will hold a day dedicated to the Constitution of the United States. Prior to holding this event we will gather activity request suggestion from both our current student body and staff on how we could best commemorate the September 17, 1787, signing of the Constitution. For more information visit [www.constitutionday.com](http://www.constitutionday.com)

## **Voter Registration**

To participate in Alabama elections, you must **register to vote** with the Alabama Board of Registrars. You can also register to vote through the Alabama Driver License Division (DLD) of the AL Department of Public Safety. Please check with the state's Secretary of State [Website](#) to receive the most current information on upcoming elections and [voter identification requirements](#).

To apply to register to vote, you must meet the following requirements:

## **Student Disclosures**

The U.S. Department of Education requires that we report and disclose certain information about our school programs in a clear, prominent, user-friendly, and easily understood manner. The intent of the requirement is to enable students to make an informed choice about a program of study. To this end, we have developed this Student Catalog and Handbook.

Winonah School of Cosmetology may refuse admission to an applicant if any of the above requirements are not met.

## **Transfer**

Winonah School of Cosmetology makes decision about whether to accept transfer hours on an individual basis and may or may not give an applicant credit for hours earned at another institution. To enroll and receive credit for hours, transfer students must ensure all state-required paperwork has been completed.

- Winonah School of Cosmetology accepts transfer students, based on the evaluation of the student's comprehension of the course material.
- The hours and credits will be accepted or declined based on Winonah School of Cosmetology curriculum requirements on an individual basis.
- Students desiring to obtain transfer credit must provide an Official transcript from a licensed Alabama School of Cosmetology. An out-of-state transfer student must have an evaluation from the Alabama State Board of Cosmetology & Barbering granting the student the equivalent State hours.
- Transfers must be fully processed (The transcripts must have been received and evaluated by Winonah School of Cosmetology within 30 days of enrollment) before the transferred hours can be added to the student's total hours and reported to the Alabama state board of Cosmetology & Barbering.
- Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program.
- A transfer student may be required to purchase any equipment, textbook, uniforms, etc. (at additional cost) required by Winonah School of Cosmetology.
- The students will be evaluated to determine the number of hours for which credit will be given. Transfer student may be charged a transfer evaluation fee.
- The maximum transfer hour that will be added to the student's total hours, is 90% of the evaluated and accepted hours by the School. However, (at the school discretion) the maximum accepted hours cannot exceed 600 for Cosmetology program and 375 for Manicure program.
- The charge for hours required to complete the program is \$10.00/hr.
- Winonah School of Cosmetology does not accept transfer hours for the Instructor (Licensed More than a Year) and Natural Hair Stylist programs.
- With regards to Satisfactory Academic Progress (SAP) a student transfer hour will be counted as both attempted and earned hours for purpose of determining when the allowable maximum time frame has been exhausted. Winonah School of Cosmetology currently performs SAP evaluation periods based on actual hours.

Winonah School of Cosmetology reserves the right to deny a transfer request for any reason including but not limited to attendance or academic performance.

## **Transferability of Credit**

Winonah School of Cosmetology does not guarantee the transferability of credits to a college, university, or institution. Any decision on comparability, appropriateness, and applicability of credit and whether they should be accepted is the decision of the receiving institution.

## **Re-entry**

From time to time a student who is terminated from enrollment or who withdraws from enrollment may wish to re-enroll at Winonah School of Cosmetology. Doing so requires enough time for Winonah School of Cosmetology to process the withdrawal paperwork as required by the state and/or federal agencies, as well as the restart paperwork. ### **Federal Financial Assistance**

Winonah School of Cosmetology accepts Federal Student Aid for those that qualify. To apply please complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov). Enter Winonah School of Cosmetology's school code **042735**, so that your FAFSA report will be sent to the school for further review.

#### **Federal programs accepted by Winonah School of Cosmetology:**

- **Pell Grant:** A Federal Pell Grant is a gift aid from the U.S. Department of Education and does not need to be repaid. Information from the FAFSA determines the Expected Family Contribution (EFC) which is used to determine the maximum amount of Federal Pell Grant at student may receive in an award year (July 1st of one year through June 30th of the following year).

- **Federal Direct Stafford Loans (Subsidized and Unsubsidized)**

Federal Stafford loans are borrowed and therefore must be returned to the lender, the U.S. Department of Education. Stafford loans are borrowed by the student and are credit-based loans. The major difference between a Subsidized and an Unsubsidized Stafford loan is that the federal government pays the interest on a Subsidized Stafford loan while a student is in school, but never pays the interest on an Unsubsidized Stafford loan. A student must have a financial need to qualify for a Subsidized Stafford loan, while most students can qualify for an Unsubsidized Stafford loan regardless of income.

The U.S. Department of Education charges a fee to make a Stafford loan, meaning the student will receive less than the amount borrowed to pay educational cost. Both Subsidized and Unsubsidized Stafford loans have a fixed interest rate on the principal amount borrowed; have a six (6) month grace period before mandated repayment begins; are eligible for certain deferment, forbearance, and cancellations rights; have a variety of repayment plans to choose from; and may be paid off early without penalty.

More details on federal loan types, terms and conditions, repayment plans, and sample repayment schedules can be found at [studentloans.gov](http://studentloans.gov).

To apply for a Subsidized or Unsubsidized Stafford loan, a student must complete the FAFSA. Loan eligibility requires completion of a Master Promissory Note (MPN), promising to pay the loans, and complete mandated Loan Counseling prior to disbursement. The MPN and Entrance Counseling can be completed online at [studentloans.gov](http://studentloans.gov). Loans must be paid to the U.S. Department of Education to avoid severe consequences of going into default. All Direct Subsidized and Unsubsidized Stafford loans have a thirty (30) day hold on the first disbursement.

- **Federal Direct Parent PLUS Loans for Undergraduates**

The PLUS loan is a loan that must be paid back to the U.S. Department of Education. Borrowers are restricted to biological/adoptive parents of eligible dependent students, or stepparent if income information was reported on FAFSA. PLUS loans are credit based which requires the parent to provide authorization for a credit check. Once approved, the PLUS borrower must sign a Master Promissory Note (MPN), Parent PLUS Loan Counseling and provide the Financial Aid office with a loan amount request. A parent may submit the credit authorization through the Financial Aid office. Both the Credit Authorization and MPN can be accessed at [www.studentloans.gov](http://www.studentloans.gov).

The U.S. Department of Education charges a fee to make a PLUS loan, meaning the parent will receive less than the amount borrowed to pay educational cost. The PLUS loan has a fixed interest rate on the principal amount borrowed; do **NOT** have a six (6) month grace period before mandated repayment begins but may be eligible for deferment; is eligible for certain deferment, forbearance and cancelations rights; has a variety of repayment plans to choose from; and may be paid off early without penalty.

For more information on PLUS loans and PLUS loan eligibility please visit [www.studentloans.gov](http://www.studentloans.gov).

### **Financial Aid – Kit and Additional fees**

- Students have the option to purchase their kit from the School or from other suppliers. An itemized list of the tools and equipment (showing the vendor's name and the items SKU numbers) needed for the duration of the course is given to all students at the time of registration.
- At time of admissions students who prefer to not allow Winonah School of Cosmetology to take additional charges (such as books, kit, non-refundable fees, and any required deposits) out of financial aid funds must pay at time of admissions for their books and kit and non-refundable fees.
- Students who receive financial aid and choose to allow Winonah School of Cosmetology to take additional charges (such as books, kit, non-refundable fees, and any required deposits) out of financial aid funds, must return their kits to the School upon separation (withdrawal, termination). Any credit or debit to the student account would be based on the Department of Education latest rules and regulations.
- Startup fees, kit, and books will be deducted from 1<sup>st</sup> disbursement. Tuition will be deducted from each disbursement.
- The remaining balance that federal aid does not cover may be in the form of a monthly payment plan for the duration of the student training.
- Winonah School of Cosmetology follows the Department of Education most recent rules and regulations regarding Student kits.

### **Financial Aid – Consumer Information**

Winonah School of Cosmetology participates in Federal Financial Aid programs. (See Federal Financial assistance (page 15) to read the different programs Winonah School of Cosmetology participates in.)

The School's Financial Aid Office aids students seeking financial aid for their educational costs while complying with all federal, state, and institutional regulations. Anyone seeking financial aid information or assistance or seeking consumer information at the school will be provided with access to the required financial aid forms and disclosures, the school Catalog and Handbook which provides a brief description of the Financial Aid process and explains how financial aid information and assistance may be obtained.

**Financial Aid Office** — The Financial Aid Office's mission is to provide optimal customer service while helping students secure financial assistance to cover as much of their educational expenses as possible. The school's Financial Aid Representative is available in person or by telephone during normal business operating hours to help students determine an affordable way to pay for school.

To remain eligible for financial aid, a student must demonstrate Satisfactory Academic Progress (SAP) at the end of each payment period. Failure to meet Satisfactory Academic Progress (SAP) may result in loss of financial aid. (See Satisfactory Academic Progress (SAP) Policy).

**To be eligible to receive federal student aid, you must:**

- Be a citizen or eligible noncitizen of the United States.
- Have a valid Social Security Number. (Students from the Republic of the Marshall Islands, Federated States of Micronesia, and the Republic of Palau are exempt from this requirement.)
- Have a high school diploma or a General Education Development (GED) certificate or have completed homeschooling. If you do not, you may still be eligible for federal student aid if you were enrolled in college or career school prior to July 1, 2012. Go to <http://studentaid.ed.gov/eligibility/basic-criteria> for additional information.
- Be enrolled in an eligible program as a regular student seeking a degree or certificate.
- Maintain satisfactory academic progress.
- Not owe a refund on a federal student grant or be in default on a federal student loan.
- Register (or already be registered) with the Selective Service System if you are a male and not currently on active duty in the U.S. Armed Forces. (Students from the Federated States of Micronesia, the Republic of the Marshall Islands and the Republic of Palau are exempt from registering; visit <http://www.sss.gov> for more information.)
- Not have a conviction for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid (such as grants, work-study, or loans). If you have such a conviction, you must complete the Student Aid Eligibility Worksheet to determine if you are eligible for aid or partially eligible for aid.

Many types of federal student aid, such as the Federal Pell Grant or subsidized loans where the government pays the interest while you are in college, also require you to have financial need. Additionally, once you have a bachelor's degree or a first professional degree, you are generally not eligible for Pell or Federal Supplemental Educational Opportunity Grants (FSEOG).

**Applying for Financial Aid**

The Free Application for Federal Student Aid (FAFSA) is the application used to apply for all federal financial aid. A student who is interested in financial aid must submit a FAFSA. A student should complete the FAFSA online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and add Winonah School of Cosmetology (**School Code: 04273500**) to the FAFSA as a school to receive the FAFSA report. Beginning with the 2017 – 2018 FAFSA, students will be required to report income and taxes information from an earlier tax year. For example: for the 2017 – 2018 FAFSA, you and/or parent(s), as appropriate, will report 2015 income and tax information rather than 2016 income and tax information.

**Financial Aid Verification**

Verification is the process of confirming the accuracy of certain data provided by the student and/or parent on the FAFSA. Winonah School of Cosmetology only verifies students selected by the U.S. Department of Education. A FAFSA can be selected based on certain edits established by the U.S. Department of Education.

In general, an applicant whose FAFSA is selected for verification, will need to provide additional documentation to the institution to confirm reported data. Federal funds will not be disbursed until verification is completed. There are diverse types of verifications. Each type of verification requires specific additional documentation to be submitted. All verification recipients will need to complete an institution verification worksheet, supplied by Winonah School of Cosmetology, and submit the worksheet to the financial aid office within 60 days (or at the school discretion on a case-by-case decision) of the receipt of the worksheet based on ED rules and regulations). Please read the verification worksheet completely. Any worksheet not completed correctly with all signatures will not be accepted. All required documents must be received so that verification can be completed within 120 days of the student's last day of attendance or the annual deadline established by the U.S. Department of Education in September following the end of the award year.

A student who fails to submit verification documents within the required deadlines may need to make cash payments or otherwise obtain alternative financing to pay the balance due the institution. A student who fails to complete verification as required may be ineligible for all or a portion of his/her financial aid. Applicants will be notified by phone, mail, email, or in person of their verification status.

### **IRS Data Retrieval Tool**

To use the IRS Data Retrieval Tool students will need to log in to their FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer yours and/or parents IRS income tax information into your FAFSA. In most cases, no further documentation is needed to verify IRS income tax return information that was transferred into the student’s FAFSA using the IRS Data Retrieval Tool if that information was not changed by the FAFSA filer.

For students who are unable or choose not to use the IRS Data Retrieval Tool then the student and/or parent will need to order an IRS Tax Transcript. To obtain an IRS Tax Transcript go to [www.irs.gov](http://www.irs.gov) and under the “Tool” tab click “Get a tax transcript.” Click either “Get Transcript ONLINE” or “Get Transcript by MAIL”. Make sure you request the **IRS Tax Transcript** NOT the **IRS Tax Account Transcript**.

### **Identity Theft**

Tax filers who believe they are victims of identity theft may call Identity Protection Specialized Unit (IPSU)’s toll free number, (800) 908-4490, or go to the ID theft website on [www.irs.gov](http://www.irs.gov). After the IPSU authenticates the tax filer’s identity, the tax filer can request that the IRS mail to the tax filer an alternate paper transcript, known as the TRDBV (Transcript Data Base View). After receiving the TRDBV the following needs to be submitted to our office:

- A signed copy of the IRS alternate paper tax transcript (TRDBV)
- A signed and dated statement regarding the identity theft and attesting the filer notified the IRS about the theft.

### **Entrance Loan Counseling**

All students and/or parents who receive Direct Subsidize and/or Unsubsidized Stafford Loans and/or Parent PLUS loans must complete entrance counseling before any student loans are awarded. During entrance counseling you will learn what a Direct Stafford loan and/or Parent Plus is, how the loan process works, managing your education expenses, other financial resources to consider helping pay for your education and your rights and responsibilities as a borrower. To complete loan counseling visit [www.studentloans.gov](http://www.studentloans.gov) and select the appropriate entrance counseling. For student loans please select Undergraduate Student Loans and for Parents who are applying PLUS loans please select PLUS Credit counseling.

It also explains the terms and conditions of your loan(s). All students and/or parents receiving Direct Subsidize and/or Direct Unsubsidized Stafford loans and/or Parent PLUS loans must complete a MPN. To complete the MPN please visit [www.studentloans.gov](http://www.studentloans.gov) and select the type of direct loan and/or Parent PLUS you would like to complete. ### **Disbursement of Title IV Financial Aid**

Federal funds are received electronically from the U.S. Department of Education. By federal regulations, school policy, and student progress, financial aid is divided and disbursed in payment periods. First disbursements have a thirty (30) day hold on Direct Stafford Loans for first time borrowers. Students and/or parent will receive a copy of the Disbursement Notification either digitally uploaded to the school secure file share or a paper copy in person. A copy of the notification will be filed in the student’s financial aid file.

### **Title IV Financial and Academic Year Definition**

Winonah School of Cosmetology defines its academic year as 900 actual clock hours and 26 weeks.

**Financial Aid Credit Balance**

A Federal Student Aid credit balance occurs when the amount of student aid received exceeds the student's tuition and fees owed to the school for each academic year. A credit balance check payable to the student and/or parent is written and received in person within a timely manner, based on the school policy, and student progress. PLUS, loan credit balance checks are made payable to the parent unless parent authorize for credit balance be given to student. In this case parents must write a letter to Winonah School of Cosmetology authorizing the release of credit balance to the student.

On occasion, student checks may be mailed to the student mailing address on file. Student and parents must keep their addresses current with the institutions financial aid office.

It is the student's responsibility to clock in and out every day. If for some reason, she/he forgets these hours will be lost. It is a violation of the School's policy for any student other than you to clock your own time records. Any students caught clocking other students in, will face disciplinary action. Winonah School of Cosmetology maintains student attendance records. To receive credit for hours attended, all students clock in and out on a computerized time clock when arriving and departing from Winonah School of Cosmetology and for assigned lunch breaks. Each student is encouraged to keep a personal calendar showing the exact number of hours credited each day.

Upon completion of the enrollment procedure, the student is added to the computerized Timeclock system and will be given a username and password to clock in and out. Winonah School of Cosmetology strongly prohibits students from sharing their password with other students.

The school will generate monthly reports for students to examine before the total is reported to the Alabama Board of Cosmetology. Students who disagree with the school totals are encouraged to make an appointment with the school director to have the time rechecked in their presence. The final total for each student will be then reported to the Alabama Board of Cosmetology. Check each month, as only the previous month will be discussed.

Winonah's International School of Cosmetology acknowledges that students use technology to connect, collaborate, and communicate with each other and online forms of expression are as important to student development as traditional oral and written expression.

### **State of Social Media**

Social media, professional networking sites, rapid-fire communications, blog sites, and personal Web sites are all useful technologies; Winonah's International School of Cosmetology realizes this fact. Every student has an opportunity to express and communicate online in many ways, and Winonah's International School of Cosmetology encourages an online presence. Above all else, everyone needs to use good judgment on what material makes its way online. The following "best practice" guidelines are being provided to help you effectively use these forums, protect your personal and professional reputation, and follow state and/or Network rules and policies.

### **Responsibility**

The personal use of social networking sites or blogs creates the risk of affecting your professional career whether you want it to or not. To that end, it is vital that you conduct yourself in such a way that it doesn't adversely affect your position with Winonah School of Cosmetology. Please be reminded that it is impossible to perceive "tone" in online communications.

Below are suggested guidelines to follow when using social networking sites and/or blogs:

- Using social media academically is an extension of your classroom environment. When you use social media for academic purposes, such as for a school assignment, or to post your latest styling work, treat the platform as a digital extension of your school.
- Students shall not engage in any Social Networking that may harm or tarnish the image, reputation and/or goodwill of Winonah’s International School of Cosmetology and/or any of its students or employees.
- Students are also prohibited from making any discriminatory, disparaging, defamatory or harassing comments when Social Networking or otherwise engaging in any conduct prohibited by Winonah School of Cosmetology’s Non-Discrimination policy.
- Do not use social media to subject the staff, students, or customers of Winonah’s International School of Cosmetology to ridicule or intentional infliction of mental distress.
- It is important not to respond to, retaliate to, or forward any harassing, intimidating, or bullying content.
- There is no right to privacy when using school-related social media. If you are using the school’s device or network, the school may review what you post.
- If you run across inappropriate material that makes you feel uncomfortable, or is not respectful, tell your teacher right away.

#### **Violations of this Acceptable Use Policy**

Violations of this policy may have disciplinary repercussions, including:

- Suspension of student’s privileges (Student services, participation in the graduation Ceremony)
- Suspension from school.
- Termination from school.

### **Copyright Infringement Policy**

Unauthorized distribution of copyrighted material, including unauthorized peer to-peer file sharing, may subject the students to civil and criminal liabilities. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. ### **Satisfactory Academic Progress Policy**

The Satisfactory Academic Progress Policy (SAP) is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluations are maintained in the student file. The school will develop an academic plan to address the specific needs of those students who fail to meet the academic requirements at specific SAP evaluation points.

\*Note: Students receiving funds under any Federal Title IV financial aid program must maintain satisfactory progress to continue eligibility for such funds.

### Evaluation Periods

\*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Students will receive copies of all evaluations.

### Attendance Progress Evaluations

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress (minimum 80% attendance required for VA students). Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student

has maintained at least 67% (80% for VA students) cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

Program Name (Full time)	Maximum Time Allowed		
	Number of Weeks		Scheduled Hours
	Day time	Nighttime	
Cosmetology - 1500 Hours	60	94.5	2250
Instructor -1500 Hours	60	94.5	2250
Instructor - 650 Hours	27	42	975
Manicure (Nail Technology) - 750 Hours	30	48	1125
Natural Hair Stylist - 210 Hours	9	13.5	315

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. (80% for VA students)  
Students who have not completed the course within the maximum timeframe may continue as a student at the institution on a cash pay basis.

### Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a cumulative (practical + written) grade average of 70% prior to graduation (80% for VA students). Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<b>90 – 100</b>	<b>Excellent</b>
<b>80 - 89</b>	<b>Very Good</b>
<b>70 - 79</b>	<b>Satisfactory</b>
<b>Under 70</b>	<b>Failing</b>

### Determination of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory academic progress until the next scheduled evaluation. A student who does not achieve the minimum standards is no longer eligible for Title IV funds, if applicable, unless the student is on warning or has prevailed upon appeal of the determination that has resulted in the status of probation. After each evaluation, students will receive a hard copy of their Satisfactory Academic Progress Determination to sign. The original signed copy will be placed in the student file and a copy will be given to the student. A leave of Absence (LOA) will not affect the student's satisfactory academic progress (SAP) status.

**Warning**

Students who fail to meet minimum requirements for attendance or academic progress at an evaluation period are placed on Financial Aid warning and considered to be making satisfactory academic progress during the warning period, until the next scheduled evaluation point. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. During the Warning period, students are eligible, if applicable, to receive financial aid funds. If at the end of the warning period, the student has not met both the attendance and academic requirements, he/she will be ineligible for Title IV assistance.

**Appeal Procedure**

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten (10) calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 10-15 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, the student will be placed on probation, and federal financial aid will be reinstated, if applicable.

**Probation**

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who can meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation and will be advised in writing (Progress Plan) of the actions required to attain satisfactory academic progress by the next evaluation. Students placed on an academic plan must be able to meet requirements set forth in the progress plan by the end of the next evaluation period. Students who are progressing per their specific plan will be considered making Satisfactory Academic Progress. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the progress plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds. (VA education benefits will be discontinued should the student fail to make satisfactory progress.)

**Re-establishment of Satisfactory Academic Progress**

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**Interruptions, Course Incompletes, Withdrawals**

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at time of withdrawals.

**Noncredit, Remedial Courses, and Repetitions**

Noncredit and Remedial Courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

**Transfer Hours**

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for determining when the allowable maximum time frame has been exhausted.

**Leave of Absence Policy (LOA)**

It may become necessary for the students to take a short break from training for a variety of reasons such as Personal or family related issues, Medical issues, or financial hardship. Students should confer with the school official to determine if they are eligible for a leave and what the impact will be on their program.

Students may be granted more than one leave in a twelve-month period. However, the total time for the Leave of Absences may not exceed 180 calendar days in any 12-month period. This 12-month period begins on the first day of the student's initial LOA.

Reasons for which a Leave of Absents may be granted are: (must have valid documentation)

- The birth or adoption of a child or placement of a foster child
  - The care of a sick spouse, child, or parent
  - The students own serious health condition
  - Death of an immediate family member
  - Students may be placed on an Administrative Leave as determined by the School official
- Leave of absence approvals for reasons such as "no transportation", "no childcare", "must work" are at the discretion of school director.
  - Students' attendance history and SAP evaluation results may be a factor in approval/denial of a request for Leave of Absence.

Student returning from a Leave of Absence, or other official interruption of training will return to school in the same progress status as prior to the departure.

- Leave of Absence approvals are at the discretion of the school's director.
- Winonah School of Cosmetology may not grant Leave of Absences to students in the Development track. (Leaves can be granted at this stage for mitigating circumstance at the discretion of the school Director.)
- Student must apply in advance for a LOA unless unforeseen circumstances prevent them to do so.
- All requests for leaves of absence must be submitted in writing & must include the reason for the student's request, and the student's signature.
- Except in emergency situations or director's discretion, students are allowed one personal leave of absence every six months
- The leave of absence request must be for a minimum of 2 weeks unless allowed by the school Director.
- There must be a reasonable expectation that the student will return from the LOA.
- Winonah School of Cosmetology may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. In this case Winonah School of Cosmetology will document the reason for its decision and collect the request from the student later. The beginning date of the approved LOA would be the first date the student was unable to attend the institution.
- Scheduled hours will not be accumulated.
- A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.
- Winonah School of Cosmetology will not assess the student any additional institutional charges because of the LOA.

- Since Winonah School of Cosmetology will not assess any additional charges to a student returning from LOA, the School will not award any additional Title IV aid until the student has completed the coursework in which the student was enrolled when the leave was granted.
- Students on payment plans must continue with their payments while on Leave.
- The leave will not affect the student's satisfactory progress (SAP) status.
- The student' maximum timeframe for course completion and enrollment agreement and date will be extended by the number of calendar days of the leave.
- Changes to the contract period on the enrollment agreement will be initialed by all parties or an addendum will be signed and dated by all parties.
- The student will be informed as to when he or she is scheduled to return to class.
- The Student will return to school with the same academic and attendance status held prior to the leave.
- Student's grace period for Title IV program loans will be reduced by the entire time of the leave of absence up to and including the exhaustion of the student's grace period.
- If a student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning. All institutional refund and Return to Title IV calculations will then go into effect based on the students last date of attendance.
- The withdrawal date for calculating a refund is always student's last day of attendance.
- Students on leave of absence should continue to make payments on their account as scheduled.

The student will return to school from a leave of absence on the return date specified on the Leave of Absence Request form. A student who wishes to extend or shorten the scheduled leave of absence must contact the school prior to the originally scheduled return date or desired new date.

### **Official Withdrawal Policy**

A student may choose to withdraw from Winonah's International School of Cosmetology. The student should notify the school in writing using the school's Withdrawal Request Form. Students who withdraw prior to course completion are charged an administrative fee of \$150.00 as part of the Refund Calculation.

Students wishing to transfer to another institution must pay all monies owed to Winonah School of Cosmetology, and all applicable academic requirements must be met for the hours to be released.

#### **Determining the Date of Withdraw**

- A student on approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal shall be the earlier of the scheduled date that the student notifies the institution that he/she will not be returning.
- Official withdraw date will be determined by the postmark on written notification, or the date said information is delivered to the school in person.

Winonah School of Cosmetology reserves the right to alter or terminate this policy at any time, with or without reason or notice.

### **Unofficial Withdrawal Policy**

Winonah's International School of Cosmetology routinely monitors attendance records to determine in a timely manner when a student withdraws. Except in unusual instances, the date of the institution's determination that the student withdrew should be no later than 14 days after the student's last date of attendance as determined by the institution from its attendance records. If the student is eventually determined to be a withdrawal, the end of the 14-day period begins the time frame for completing an R2T4 (for title IV) and Institutional Refund calculation.

- If a student fails to attend or cease to attend classes without officially withdrawing, the last day he/she attended class is the Unofficial withdrawal date.

- Students will be billed for resulting institutional charges of \$150.00.

## **Termination Policy**

Winonah School of Cosmetology routinely monitors attendance records to determine in a timely manner when a student withdraws. Except in unusual instances, the date of the institution's determination that the student withdrew should be no later than 14 consecutive days after the student's last date of attendance as determined by the institution from its attendance records.

In addition, Winonah School of Cosmetology may terminate a student's enrollment if they fail to comply with academics, and financial requirements, or if they fail to abide by established standards of conduct, as outlined in the school Catalog and Handbook, New Students Orientation Booklet, and/or enrollment agreement.

The student will be charged an administrative fee of \$150.00 as part of the Refund Calculation, if terminated.

### **Grounds for Termination**

- A student missing fourteen (14) consecutive school days may be terminated.
- A student who does not return from a leave of absence on the date the student was scheduled to return may be terminated from Winonah School of Cosmetology. The student must notify the school within two business days prior to the originally scheduled return date for a new scheduled return date.
- If a student is placed on probation for Satisfactory Academic Progress and has not met the requirement by the end date of the probation period, he/she may be terminated.

Winonah School of Cosmetology reserves the right to alter or terminate this policy at any time, with or without reason or notice.

In cases which VA or Rehab does not comply with the school's refund policy, the student should comply with the school's refund policy.

### **Return to Title IV (R2T4) Federal Financial Aid Policy**

Title IV funds (Federal Pell Grant, Stafford, and PLUS loans) are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive. If a recipient of Title IV grant or loan funds withdraws from a school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, the unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, he or she is eligible to receive a post-withdrawal disbursement of the earned aid that was not received.

The Institution Refund Policy, used to determine the charges a student will owe after withdrawing, will not affect the amount of Title IV aid earned under the Return to Title IV (R2T4) Policy.

If a student withdraws then re-enters in the same program within 180 days from the last day of attendance, the student's financial aid is reinstated as planned prior to withdrawal.

A student may officially withdraw from the institution in writing by submitting "Withdrawal Request Form-ZEN 1023" to the Administrator. (This form can be requested from the Administration Office)

Title IV funds are earned in direct proportion to the percentage of the payment period that is completed, with 100% of the funds earned after 60% of the payment period is completed. For example, if the payment period lasts 10 weeks, 100% of the Title IV funds are earned after six weeks is completed. If a student withdraws after

60% of the payment period is completed, no Title IV funds are required to be returned. When a student withdraws prior to completion of 60% of the payment period, Winonah School of Cosmetology must determine if the Title IV funds received by the student exceed the amount earned. This calculation is based on the clock hours scheduled as of the date of the student's withdrawal. All withdrawal calculations/refund of unearned Title IV aid will be completed within 45 days of the date the school determines the student withdrew.

### **Post Withdrawal Disbursement**

Winonah School of Cosmetology will automatically use all or a portion of a student's post-withdrawal disbursement of Pell Grant funds for tuition and fee charges. A student may be eligible for a post withdrawal disbursement of a Federal Stafford or PLUS loan if, prior to withdrawing, the student earned more federal financial aid than was disbursed. The amount earned is determined as part of the required federal Return of Title IV Funds calculation. Post-withdrawal disbursements for Federal Stafford or PLUS loans will be offered to the student within 30 days of the date the school determines the student withdrew. It is important to understand that accepting a Federal Stafford or PLUS loan post withdrawal disbursement will increase the overall student loan debt that must be repaid under the terms of your Master Promissory Note.

Winonah School of Cosmetology will return any unearned Title IV funds it is responsible for returning within 45 days of the date the school determined the student withdrew and offer any post-withdrawal disbursement of loan funds within 30 days of that date. Winonah School of Cosmetology disburses any Title IV grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew and disburse any loan funds a student accepts within 180 days of that date.

The institution determines the earned and unearned portions of Title IV aid as of the last date of attendance based on the amount of time the student was scheduled to be in attendance. The percentage of the period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

Unearned Title IV aid must be returned in the following order: Unsubsidized Stafford Loans, Subsidized Stafford Loans, PLUS Loans, then Federal Pell Grant.

Students and parent loan borrowers will be notified if the institute returns funds to the lender. Student borrowers are required to complete exit loan counseling concerning repayment options, debt management strategies, avoiding default, etc.

Additional information on the Return to Title (R2T4) calculation procedures and requirements, including examples, may be obtained by contacting the Financial Aid Office.

Non-Title IV funds received will be returned to other financial aid programs in accordance with the funding source's refund policies.

### **Collection Policy**

Students should meet their financial obligations to the school as per their contract terms. In the event of default, the school has the right to proceed with, collection process, legal action, or any other appropriate procedures.

## **Domestic, Dating Violence, Stalking and Sexual Assault**

Sexual harassment may include, but not entirely limited to, sexual assault, domestic and/or dating violence and stalking as defined below:

### **Sexual Assault**

Sexual Assault is a form of sexual harassment. A range of conduct falls into the category of sexual assault, including without limitation sexual violence, battery, coercion, rape or other sexual contact involving force, threat, intimidation or without consent.

**Consent** means informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot infer from silence, passivity, or lack of active resistance. **NO means NO!**

### **Domestic Violence**

Domestic Violence means a felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim,
- A person with who a victim shares a child in common,
- A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- A person similarly situated to a spouse of the victim under the domestic or family violence law of the State of Alabama, or
- Any other person against an adult or youth victim who is protected from that person's act under the domestic or family violence laws and jurisdiction.

### **Dating Violence**

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on consideration of the following factors:

- The length of the relationship.
- The type of relationship; and
- The frequency of interaction between the persons involved in the relationship.

### **Stalking**

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for his/her safety or the safety of others; or
- Suffer substantial emotional distress.

If you are a victim of sexual assault, stalking, domestic or dating violence at Winonah School of Cosmetology, your priority should be to get to a place of safety. You should obtain medical treatment, if necessary. Winonah School of Cosmetology strongly advocates that a victim reports the incident in a timely manner to a school official, such as the owner, director, administrator and/or staff member. Time is a critical factor for evidence collection and preservation. Reporting to school officials would not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. Filing a police report will:

- Ensure that a victim receives necessary medical treatment and tests,
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later,
- Assure the victim has access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention, stalking, domestic or dating violence.

When a victim contacts a Winonah School of Cosmetology official, the Hoover Police Department will be notified, unless the victim specifically requests the school not to; the school will require that the request be in writing. In cases where the accused is another student and/or staff member, the victim may choose for the investigation to be pursued through the criminal justice system and the school's disciplinary procedures, or only the later. School officials will guide the victim through the available options and support the victim in his/her decision.

Where the accused is another student or staff member the school will provide a prompt, fair and impartial investigation, and resolution. The accuser and the accused are entitled to the same opportunities to have others present during the disciplinary proceeding. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceedings, in writing. The school will use most of the standard to the factual allegations. For this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged offense and any sanction that is imposed against the accused. A student or staff member found guilty of sexual, or any other misconduct could be terminated. Our institution is obligated to comply with student's request for assistance with an academic, living, transportation and/or working situation change following an alleged sexual assault, if such change is reasonably available.

Counseling options are available through many agencies including:

- National Domestic Violence Hotline (800) 799-SAFE (7233)
- National Sexual Assault Hotline (800) 656-HOPE (4673)
- Turning Point (205) 758-0808

## **Institution Outcome Rates**

The institutional outcomes such as Completion, Licensure, and Placement rates will enable you to make a good decision on whether to enroll in one of our programs or not. This information was submitted on our 2022 annual report to the National Accrediting Commission of Career Arts & Sciences (NACCAS) and are listed below:

### **Licensure Rate**

Licensure rate is a calculation of the number of students that have completed the required Course hours, graduated, and successfully passed all the Alabama State Board of Cosmetology exams. Winonah had an overall one hundred percent licensure rate for both day and night Cosmetology programs for year 2022. Winonah School of Cosmetology supports its students until completely ready to take the State Board exams. We along with our students work hard to maintain a high licensure rate.

### **Graduation Rate**

Many students enroll at Winonah every year at Winonah. Some for assorted reasons are unable to complete the program and graduate. Winonah had sixty five percent graduation rate for year 2022. Graduation rate is the ratio of the total students who graduated from a course to the total number of students enrolled in a course.

### **Placement Rate**

Winonah Stays in touch with its graduates making sure they are employed in the field or related field for which they were trained at Winonah not counting those unavailable for placement due to one of the following reasons: continuing education, health-related issues (including death), military obligations and/or incarceration. Winonah had a sixty-seven-point thirty one percent placement rate for year 2022.
