

Federal Financial Assistance

Winonah School of Cosmetology accepts Federal Student Aid for those that qualify. To apply please complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. Enter Winonah School of Cosmetology's school code **042735**, so that your FAFSA report will be sent to the school for further review.

Federal programs accepted by Winonah School of Cosmetology:

- **Pell Grant:** A Federal Pell Grant is a gift aid from the U.S. Department of Education and does not need to be repaid. Information from the FAFSA determines the Expected Family Contribution (EFC) which is used to determine the maximum amount of Federal Pell Grant at student may receive in an award year (July 1st of one year through June 30th of the following year).

- **Federal Direct Stafford Loans (Subsidized and Unsubsidized)**

Federal Stafford loans are borrowed and therefore must be returned to the lender, the U.S. Department of Education. Stafford loans are borrowed by the student and are credit based loans. The major difference between a Subsidized and an Unsubsidized Stafford loan is that the federal government pays the interest on a Subsidized Stafford loan while a student is in school, but never pays the interest on an Unsubsidized Stafford loan. A student must have a financial need to qualify for a Subsidized Stafford loan, while most students can qualify for an Unsubsidized Stafford loan regardless of income.

The U.S. Department of Education charges a fee to make a Stafford loan, meaning the student will receive less than the amount borrowed to pay educational cost. Both Subsidized and Unsubsidized Stafford loans have a fixed interest rate on the principal amount borrowed; have a six (6) month grace period before mandated repayment begins; are eligible for certain deferment, forbearance and cancellations rights; have a variety of repayment plans to choose from; and may be paid off early without penalty.

More details on federal loan types, terms and conditions, repayment plans and sample repayment schedules can be found at <https://studentaid.ed.gov/sa/types/loans>.

To apply for a Subsidized or Unsubsidized Stafford loan, a student must complete the FAFSA. Loan eligibility requires completion of a Master Promissory Note (MPN), promising to pay the loans, and complete mandated Loan Counseling prior to disbursement. The [MPN](#) and Entrance Counseling can be completed online [HERE](#). Loans must be paid to the U.S. Department of Education to avoid severe consequences of going into default. All Direct Subsidized and Unsubsidized Stafford loans have a thirty (30) day hold on the first disbursement.

- **Federal Direct Parent PLUS Loans for Undergraduates**

The PLUS loan is a loan that must be paid back to the U.S. Department of Education. Borrowers are restricted to biological/adoptive parents of eligible dependent students, or step parent if income information was reported on FAFSA. PLUS loans are credit based which requires the parent to provide authorization for a credit check. Once approved, the PLUS borrower must sign a Master Promissory Note (MPN), Parent PLUS Loan Counseling and provide the Financial Aid office with a loan amount request. A parent may submit the credit authorization through the Financial Aid office. Both the Credit Authorization and MPN can be accessed at <https://studentloans.gov/myDirectLoan/index.action>.

The U.S. Department of Education charges a fee to make a PLUS loan, meaning the parent will receive less than the amount borrowed to pay educational cost. The PLUS loan has a fixed interest rate on the principal amount borrowed; do **NOT** have a six (6) month grace period before mandated repayment begins, but may be eligible for deferment; is eligible for certain deferment, forbearance and cancelations rights; has a variety of repayment plans to choose from; and may be paid off early without penalty.

Financial Aid – Consumer Information

Winonah School of Cosmetology participates in Federal Financial Aid programs. (See Federal Financial assistance (page 14) to read the different programs Winonah School of Cosmetology participates in.)

The School's Financial Aid Office offers assistance to students seeking financial aid for their educational costs while complying with all federal, state and institutional regulations. Anyone seeking financial aid information or assistance, or seeking consumer information at the school will be provided with access to the required financial aid forms and disclosures, the school Catalog and Handbook which provides a brief description of the Financial Aid process and explains how financial aid information and assistance may be obtained.

Financial Aid Office — The Financial Aid Office's mission is to provide optimal customer service while helping students secure financial assistance to cover as much of their educational expenses as possible. The school's Financial Aid Representative is available in person or by telephone during normal business operating hours to help students determine an affordable way to pay for school.

To remain eligible for financial aid, a student must demonstrate Satisfactory Academic Progress (SAP) at the end of each payment period. Failure to meet Satisfactory Academic Progress (SAP) may result in loss of financial aid. (See Satisfactory Academic Progress (SAP) Policy).

To be eligible to receive federal student aid, you must: (Upon approval by the Department of Education)

- Be a citizen or eligible noncitizen of the United States.
- Have a valid Social Security Number. (Students from the Republic of the Marshall Islands, Federated States of Micronesia, and the Republic of Palau are exempt from this requirement.)
- Have a high school diploma or a General Education Development (GED) certificate, or have completed homeschooling. If you don't, you may still be eligible for federal student aid if you were enrolled in college or career school prior to July 1, 2012. - Be enrolled in an eligible program as a regular student seeking a degree or certificate.

If you have such a conviction, you must complete the Student Aid Eligibility Worksheet to determine if you are eligible for aid or partially eligible for aid.

Many types of federal student aid, such as the Federal Pell Grant or subsidized loans where the government pays the interest while you are in college, also require you to have financial need. Additionally, once you have a bachelor's degree or a first professional degree, you are generally not eligible for Pell or Federal Supplemental Educational Opportunity Grants (FSEOG).

Applying for Financial Aid

The Free Application for Federal Student Aid (FAFSA) is the application used to apply for all federal financial aid. A student who is interested in financial aid must submit a FAFSA. A student should complete the FAFSA online at www.fafsa.ed.gov and add Winonah School of Cosmetology (**School Code: 042735**) to the FAFSA as a school to receive the FAFSA report. Beginning with the 2017 – 2018 FAFSA, students will be required to report income and taxes information from an earlier tax year. For example: for the 2017 – 2018 FAFSA, you and/or parent(s), as appropriate, will report 2015 income and tax information rather than 2016 income and tax information.

Financial Aid Verification

Verification is the process of confirming the accuracy of certain data provided by the student and/or parent on the FAFSA. Winonah School of Cosmetology only verifies students selected by the U.S. Department of Education. A FAFSA can be selected based on certain edits established by the U.S. Department of Education.

In general, an applicant whose FAFSA is selected for verification, will need to provide additional documentation to the institution to confirm reported data. Federal funds will not be disbursed until verification is completed. There are diverse types of verifications. Each type of verification requires specific additional documentation to be submitted. All verification recipients will need to complete an institution verification worksheet, supplied by Winonah School of Cosmetology and submit the worksheet to the financial aid office. Please read the verification worksheet completely any worksheet not completed correctly with all signatures will not be accepted.

All required documents must be received so that verification can be completed within 120 days of the student's last day of attendance or the annual deadline established by the U.S. Department of Education in September following the end of the award year.

A student who fails to submit verification documents within the required deadlines may need to make cash payments or otherwise obtain alternative financing to pay the balance due the institution. A student who fails to complete verification as required may be ineligible for all or a portion of his/her financial aid.

Applicants will be notified by phone, mail, email, or in person of their verification status.

IRS Data Retrieval Tool

To use the IRS Data Retrieval Tool students will need to log in to their FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer yours and/or parents IRS income tax information into your FAFSA. In most cases, no further documentation is needed to verify IRS income tax return information that was transferred into the student's FAFSA using the IRS Data Retrieval Tool if that information was not changed by the FAFSA filer.

For students who are unable or choose not to use the IRS Data Retrieval Tool then the student and/or parent will need to order an IRS Tax Transcript. To obtain an IRS Tax Transcript go to www.IRS.gov and under the "Tool" tab click "Get a tax transcript." Click either "Get Transcript ONLINE" or "Get Transcript by MAIL". Make sure you request the **IRS Tax Transcript** NOT the **IRS Tax Account Transcript**.

Identity Theft

Tax filers who believe they are victims of identity theft may call Identity Protection Specialized Unit (IPSU)'s toll free number, (800) 908-4490, or go to the ID theft website on www.IRS.gov. After the IPSU authenticates the tax filer's identity, the tax filer can request that the IRS mail to the tax filer an alternate paper transcript, known as the TRDBV (Transcript Data Base View). After receiving the TRDBV the following needs to be submitted to our office:

- A signed copy of the IRS alternate paper tax transcript (TRDBV)
- A signed and dated statement regarding the identity theft and attesting the filer notified the IRS about the theft.

Disbursement of Title IV Financial Aid

Federal funds are received electronically from the U.S. Department of Education. By federal regulations financial aid is divided and disbursed in payment periods. First disbursements have a thirty (30) day hold on Direct Stafford Loans for first time borrowers. When a Direct Stafford and/or Parent PLUS disbursement is credited to ledger, student and/or parent will sign or confirm a Disbursement Notification form. Students and/or parent will receive a copy of the Disbursement Notification either digitally uploaded to the school secure file share or a paper copy in person. A copy of the notification will be filed in the student's financial aid file.

Title IV Financial and Academic Year Definition

Winonah School of Cosmetology defines its academic year as 900 actual clock hours and 26 weeks.

Financial Aid Credit Balance

A Federal Student Aid credit balance occurs when the amount of student aid received exceeds the student's tuition and fees owed to the school for each academic year. A credit balance check payable to the student and/or parent is written and either mailed or received in person within a timely manner. PLUS, loan credit balance checks are made payable to the parent and mailed to the parent's address on file unless parent authorize for credit balance be given to student. In this case parents must write a letter to Winonah School of Cosmetology authorizing the release of credit balance to the student.

On occasion, student checks may be mailed to the student mailing address on file. Student and parents must keep their addresses current with the institutions financial aid office.

Students can sign an Authorization to Hold a Federal Student Aid Credit Balance form. This allows Winonah School of Cosmetology to hold a credit balance on the students account and release it based on the student progress.

Ability to get federal student aid after a drug conviction

Student Financial Aid eligibility might be suspended if the offense occurred while the student was receiving federal student aid (grants, loans).

If student eligibility for federal student aid has been suspended due to a drug conviction before applying for financial aid, he/she can regain eligibility early by successfully completing an approved drug rehabilitation program or by passing two unannounced drug tests administered by an approved drug rehabilitation program. If student regain eligibility during the award year, he/she must notify the financial aid office immediately to get any aid he/she is eligible for.

If a student is convicted of a drug-related offense after he/she submits the FAFSA, he/she might lose eligibility for federal student aid, and might be liable for returning any financial aid received during a period of ineligibility.

Return to Title IV (R2T4) Federal Financial Aid Policy

Title IV funds (Federal Pell Grant, Stafford and PLUS loans) are awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive. If a recipient of Title IV grant or loan funds withdraws from a school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, the unearned funds must be returned. If the amount disbursed to the student is less than the amount the student earned, and for which the student is otherwise eligible, he or she is eligible to receive a post-withdrawal disbursement of the earned aid that was not received.

The Institution Refund Policy, used to determine the charges a student will owe after withdrawing, will not affect the amount of Title IV aid earned under the Return to Title IV (R2T4) Policy.

If a student withdraws then re-enters in the same program within 180 days from the last day of attendance, the student's financial aid is reinstated as planned prior to withdrawal.

A student may officially withdraw from the institution in writing by submitting "Withdrawal Request Form- ZEN 1023" to the Administrator. (This form can be requested from the Administration Office)

Title IV funds are earned in direct proportion to the percentage of the payment period that is completed, with 100% of the funds earned after 60% of the payment period is completed. For example, if the payment period lasts 10 weeks, 100% of the Title IV funds are earned after six weeks is completed. If a student withdraws after 60% of the payment period is completed, no Title IV funds are required to be returned. When a student withdraws prior to completion of 60% of the payment period, Winonah School of Cosmetology must determine if the Title IV funds received by the student exceed the amount earned. This calculation is based on the clock hours scheduled as of the date of the student's withdrawal. All withdrawal calculations/refund of unearned Title IV aid will be completed within 45 days of the date the school determines the student withdrew.

Post Withdrawal Disbursement

Winonah School of Cosmetology will automatically use all or a portion of a student's post-withdrawal disbursement of Pell Grant funds for tuition and fee charges. A student may be eligible for a post withdrawal disbursement of a Federal Stafford or PLUS loan if, prior to withdrawing, the student earned more federal financial aid than was disbursed. The amount earned is determined as part of the required federal Return of Title IV Funds calculation. Post-withdrawal disbursements for Federal Stafford or PLUS loans will be offered to the student within 30 days of the date the school determines the student withdrew. It is important to understand that accepting a Federal Stafford or PLUS loan post withdrawal disbursement will increase the overall student loan debt that must be repaid under the terms of your Master Promissory Note.

Winonah School of Cosmetology will return any unearned Title IV funds it is responsible for returning within 45 days of the date the school determined the student withdrew, and offer any post-withdrawal disbursement of loan funds within 30 days of that date. Winonah School of Cosmetology disburses any Title IV grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew, and disburse any loan funds a student accepts within 180 days of that date.

The institution determines the earned and unearned portions of Title IV aid as of the last date of attendance based on the amount of time the student was scheduled to be in attendance. The percentage of the period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

Unearned Title IV aid must be returned in the following order: Unsubsidized Stafford Loans, Subsidized Stafford Loans, PLUS Loans, then Federal Pell Grant.

Students and parent loan borrowers will be notified if the institute returns funds to the lender. Student borrowers are required to complete exit loan counseling concerning repayment options, debt management strategies, avoiding default, etc.

Additional information on the Return to Title (R2T4) calculation procedures and requirements, including examples, may be obtained by contacting the Financial Aid Office.

Non-Title IV funds received will be returned to other financial aid programs in accordance with the funding source's refund policies.

Winonah School of Cosmetology strongly advocates that a victim reports the incident in a timely manner to a school official, such as the owner, director, administrator and/or staff member. Time is a critical factor for evidence collection and preservation. Reporting to school officials would not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. Filing a police report will:

- Ensure that a victim receives necessary medical treatment and tests,
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later,
- Assure the victim has access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention, stalking, domestic or dating violence.

When a victim contacts a Winonah School of Cosmetology official, the Hoover Police Department will be notified, unless the victim specifically requests the school not to; the school will require that the request be in writing. In cases where the accused is another student and/or staff member, the victim may choose for the investigation to be pursued through the criminal justice system and the school's disciplinary procedures, or only the later. School officials will guide the victim through the available options and support the victim in his/her decision.

Where the accused is another student or staff member the school will provide a prompt, fair and impartial investigation and resolution. The accuser and the accused are entitled to the same opportunities to have others present during the disciplinary proceeding. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceedings, in writing. The school will use most of the standard to the factual allegations. For this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged offense and any sanction that is imposed against the accused. A student or staff member found guilty of sexual or any other misconduct could be terminated. Our institution is obligated to comply with student's request for assistance with an academic, living, transportation and/or working situation change following an alleged sexual assault, if such change is reasonably available.

Institution Outcome Rates

The institutional outcomes such as Completion, Licensure, and Placement rates will enable you to make a good decision on whether to enroll in one of our programs or not. This information was submitted on our 2019 annual report to the National Accrediting Commission of Career Arts & Sciences (NACCAS) and are listed below:

Licensure Rate

Licensure rate is a calculation of the number of students that have completed the required Course hours, graduated, and successfully passed all the Alabama State Board of Cosmetology exams. Winonah had an overall ninety-three-point seventy five percent licensure rate for both day and night Cosmetology programs for year 2019. Winonah School of Cosmetology supports its students until completely ready to take the State Board exams. We along with our students work hard to maintain a high licensure rate.

Graduation Rate

Many students enroll at Winonah every year at Winonah. Some for assorted reasons are unable to complete the program and graduate. Winonah had fifty-seven-point eighty nine percent graduation rate for year 2019. Graduation rate is the ratio of the total students who graduated from a course to the total number of students enrolled in a course.

Placement Rate

Winonah Stays in touch with its graduates making sure they are employed in the field or related field for which they were trained at Winonah not counting those unavailable for placement due to one of the following reasons: continuing education, health-related issues (including death), military obligations and/or incarceration. Winonah had a eighty-one-point eighty two percent placement rate for year 2019.
