

Campus Crime and Safety

All public and private postsecondary institutions that participate in any of the Title IV programs must comply with the HEA (HEA refers only to the Clery Act and other safety- and security-related requirements applicable to institutions under the HEA). The Clery Act requires postsecondary institutions to report campus crime data, support victims of violence, and publicly outline the policies and procedures they have put into place to improve campus safety.

The Clery Act requires institutions of higher education to provide students, staff and the public with information they need to make informed decisions. Notification

In event that a situation arises and it is established as on ongoing threat, a campus wide notification will be issued and the Hoover Police Department will be contacted if necessary. The notification will be issued through in-school announcements, postings on bulletin boards (located in the classrooms and the break room), thru text message, social media, and any other means deemed appropriate by the owner and/or director. Anyone with information warranting a notification should report the circumstances in person to the school director, administrator, or a staff member.

To receive a notification thru text message please provide your mobile number to the school administrator. To receive a notification thru Face Book please send a friend to winnahcosmetologyschool.

Reporting Crime Statistics

Campus crime, arrest and referral statics include those reported to the Hoover Police Department, owner and/or director, school administrator, a staff member, and/or other law enforcements agencies. Each year, this information is distributed to all enrolled students and active employees and also is included in the students Catalog.

Domestic, Dating Violence, Stalking and Sexual Assault

Sexual harassment may include, but not entirely limited to, sexual assault, domestic and/or dating violence and stalking as defined below:

Sexual Assault

Sexual Assault is a form of sexual harassment. A range of conduct falls into the category of sexual assault, including without limitation sexual violence, battery, coercion, rape or other sexual contact involving force, threat, intimidation or without consent.

Consent means informed, freely given agreement, communicated by clearly understandable words or actions, to participate in each form of sexual activity. Consent cannot infer from silence, passivity, or lack of active resistance.

NO means NO!

Domestic Violence

Domestic Violence means a felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim,
- A person with who a victim shares a child in common,
- A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
- A person similarly situated to a spouse of the victim under the domestic or family violence law of the State of Alabama, or
- Any other person against an adult or youth victim who is protected from that person's act under the domestic or family violence laws and jurisdiction.

Dating Violence

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on consideration of the following factors:

- The length of the relationship;
- The type of relationship; and
- The frequency of interaction between the persons involved in the relationship.

Stalking

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for his/her safety or the safety of others; or
- Suffer substantial emotional distress.

Starting October 1st, 2017, Winonah School of Cosmetology, will Schedule the "Turning Point", a domestic violence and sexual assault service agency, which provides professional training and prevention education to the public and schools. These classes are held twice a year for all students and staff.

If you are a victim of sexual assault, stalking, domestic or dating violence at Winonah School of Cosmetology, your priority should be to get to a place of safety. You should obtain medical treatment, if necessary. Winonah School of Cosmetology strongly advocates that a victim reports the incident in a timely manner to a school official, such as the owner, director, administrator and/or staff member. Time is a critical factor for evidence collection and preservation. Reporting to school officials would not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions. Filing a police report will:

- Ensure that a victim receives necessary medical treatment and tests,
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later,
- Assure the victim has access to confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention, stalking, domestic or dating violence.

When a victim contacts a Winonah School of Cosmetology official, the Hoover Police Department will be notified, unless the victim specifically requests the school not to; the school will require that the request be in writing. In cases

where the accused is another student and/or staff member, the victim may choose for the investigation to be pursued through the criminal justice system and the school's disciplinary procedures, or only the later. School officials will guide the victim through the available options and support the victim in his/her decision.

Where the accused is another student or staff member the school will provide a prompt, fair and impartial investigation and resolution. The accuser and the accused are entitled to the same opportunities to have others present during the disciplinary proceeding. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceedings, in writing. The school will use most of the standard to the factual allegations. For this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged offense and any sanction that is imposed against the accused. A student or staff member found guilty of sexual or any other misconduct could be terminated. Our institution is obligated to comply with student's request for assistance with an academic, living, transportation and/or working situation change following an alleged sexual assault, if such change is reasonably available.

Counseling options are available through many agencies including:

- National Domestic Violence Hotline (800) 799-SAFE (7233)
- National Sexual Assault Hotline (800) 656-HOPE (4673)
- Turning Point (205) 758-0808
